

Local Councils in England

Annual return for the year ended

31 March 2007

Local councils in England (Parish Meetings, Parish and Town Councils) and Joint Committees thereof must complete an annual return summarising their annual activities at the completion of each financial year. Members are responsible for ensuring that financial management is adequate and effective and that the council has a sound system of internal controls.

The annual return on the following pages is made up of five sections. Sections 1 and 2 are to be completed by the person nominated by the council and section 4 by the council's internal audit provider. Section 5 contains guidance on completion. Section 3 will be completed by the external auditor.

Please complete all relevant sections, which are highlighted in green for your convenience. Do not leave any green box blank. Incomplete or incorrect returns may require additional external audit work incurring additional costs charged in accordance with the Commission's approved skill related fee scale.

When sections 1 and 2 have been approved by the council and section 4 is complete, please send the annual return, together with any additional information requested, to your appointed external auditor who will add the certificate and opinion in section 3.

Unless requested, please do not send any original financial records to the external auditor. If required, your auditor will identify and ask for any documents needed for audit.
